To Whom **It** May Concern,

This letter is being written in support of Cathy Platenberg and her talent and genuine love of children's entertainment.

We know Cathy Platenberg as Mrs. Catherine and Friends here at Edinborough Park and Centennial Lakes Park. Cathy has been performing children's shows for us for nearly 3 years. Cathy performs for us approximately seven times per year as Mrs. Catherine and each show is well attended and has much audience participation. Cathy is a reliable performer who is always on time and always in a good mood. Toddlers and preschoolers really respond to Cathy's beautiful voice and her outgoing attitude. She encourages the children in attendance to participate in her shows by singing along or dancing on the stage. Cathy Platenberg is the kind of performer that uses her talent to teach children about they joys of mUSIC.

I would recommend Cathy Platenberg for any type of children's performance. Her ability to teach children about music as they are having fun is invaluable.

Sincerely,

A handwritten signature in cursive script that reads "Stacy L. Maas".
